

Fig. 1

The diagram illustrates a mechanical assembly with the following components and features:

- 1**: A thick, dark horizontal base or support structure at the bottom.
- 2**: A thin, light-colored horizontal layer or seal positioned above the base (1).
- 3**: A vertical support or guide structure on the right side, adjacent to the base.
- 4**: The main curved blade or vane, shown with diagonal hatching, mounted on the base.
- 5**: A dark, rectangular component on the right side, possibly a housing or seal.
- 6**: A light-colored rectangular component on the left side, possibly a housing or seal.
- 7**: A dark, rectangular component at the top right, possibly a housing or seal.
- 8**: A series of small, dark, pointed components or seals along the top edge of the blade (4).
- 90°**: An angle indicator in the top left corner, showing a right angle between two lines.
